Fight, fight, fight for every yard.

The 1961 Football team would have to be classified as a hard working and determined group of young men. They battled their way through a difficult season despite many injuries to key players. The seniors proved to be real leaders as they played very hard, inspiring others, especially after several heartbreaking losses.

The Junior Varsity enjoyed a successful season with 4 wins, 1 loss, and 1 tie record. Their team was composed of sophomores and a few juniors. There were 54 boys on the Varsity and Junior Varsity team this past year. Lew Pickles and Bob Stossel were the Co-Captains. Mr. Brunette, Mr. Rogers, and Mr. Borkowski were the coaches.

Even though Glenn has come into our lifes' it is still a riot, he is a lot of fun too. and I hope that he will go with us and have fun sometime too. Remember the time we had the trip down in 36° weather. Boy, there are so many wonderful things to remember about you, that it would take a library to put it in words. MYER'S YEARBOOKS, INC.

Dear Sweetie,

There were times when we did quarrel there were those times when we did fight but most of all I shall remember the lovely times when we were friends and nothing was wrong.

You did so much for me and I do not know how I shall ever be able to repay you.

Remember the nights we spent together and the days after school in your car. The wonderful times at camp and never forget the shopping trips with Lenore for her wedding.

I'm looking forward to you being in my wedding? so don't you decide to run away and hide in some other town. Wedding if I ever do have one.

Now be good and have fun at school and when you finish I'll let you fix my hair all the time.

Loads of wonderful wishes for a very happy future.

Love you always,
Marie
